These workshops are developed individually for you and your dog. Prices are available on application, and are based on your dog's breed and the skills needed.

Doggy day care

If you are a pet owner that hates to leave your friends unattended, then you are exactly the kind of person we created doggy day care for. Whether it's for an hour, or a day, we can accommodate your pet.

<i>per half day</i>	\$15.00
<i>per day</i>	\$30.00
<i>for three days a week</i>	\$20.00 per day
<i>for five days per week</i>	\$17.00 per day
